Meg,

After speaking with Kyethea Clark at the City of Marietta, ARC approves this administrative modification to convert FY 2010 construction funds for CO-AR-283B / 0008622 from L230 to ARRA funds (as outlined in your original email). This change can be considered effectively immediately for purposes of authorizing funds. An updated project list reflecting the change will be published in conjunction with the regularly scheduled 2nd quarter administrative modifications on June 4, 2010.

Subject: ARC C230 TRANSACTIONS 5-7-10

Hi David –

Here is the latest transactions against ARC's C230. One of the projects that did not make the February deadline is ready to obligate. We propose split funding PI 0008622 with C230 and C220, but we will need an admin mod from ARC to proceed with authorization:

C230	722,956.83
C220	325,043.17
Total	\$1,048,000

How quickly do you think we can get an admin mod? And you thought I was through bugging you about ARRA. ☺ Let me know if you have any questions!
