RE: P.I. # 323000 & 323005 – ATMS – Columbus

Dear Mr. Rogers,

The Columbus-Phenix City Metropolitan Planning Organization is requesting an administrative modification on the two projects listed above. The 2008-2011 Transportation Improvement Program shows this project with construction in Long Range. However, with the ongoing TIP update, construction is being shown in 2010.

The MPO is requesting an update for the 2008–2011 TIP to show construction in 2010 and the following project costs of:

P.I. 323000–ATMS/Signal/CCTV/Fiber in Columbus - \$1,703,281

P.I. 323005–ATMS: Columbus/Muscogee County/ GDOT Regional TCC - \$1,017,675

These changes will enable the Columbus Engineering office to let the project in the fall of 2009.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick Jones".
