RE: P.I. # 0001562 -ALBANY

Dear Mr. Rogers,

The Dougherty Area Regional Transportation Study (DARTS) Metropolitan Planning Organization is requesting an administrative modification on the project listed above. The 2008-2011 Transportation Improvement Program shows this project with construction in Long Range. However, with the ongoing TIP update, construction is being shown in 2010.

The MPO is requesting an update for the 2008 – 2011 TIP to show construction in 2010 and the following project costs of:

P.I. 0001562 – SR300/US19 median turn lanes from Mitchell to Worth County-
\$14,768,822.

If you have any questions please contact David Hamilton at (229)438-3907.

Sincerely,

Howard W. Brown, Jr.
Director of Planning & Development
